

FOR IMMEDIATE RELEASE

Valley Off-Road Racing Association (VORRA) Announces

SB Energy and SOLV Energy as “Powered By” Partners for 2026 Season

Yerington, NV – April 6, 2026 — The Valley Off-Road Racing Association (VORRA) announced that SB Energy and SOLV Energy are serving as joint “Powered By” partners for the 2026 race season, supporting events and initiatives across the full race calendar.

The partnership is already underway following the opening round of the season and will continue as VORRA prepares for its next race weekend, taking place May 1–3 in Lyon County near Silver Springs, Nevada.

SB Energy develops, builds, owns, and operates digital and power infrastructure, including Libra Energy. SOLV Energy provides engineering, procurement, construction, and long-term operations services for utility-scale solar and energy storage facilities, supporting projects across the full lifecycle.

Throughout the 2026 season, VORRA will carry the joint “Powered By SB Energy and SOLV Energy” designation across race platforms, event materials, and digital media. The co-sponsorship will also support key initiatives, including:

- Workforce and skilled trades awareness
- STEM and energy education engagement
- Operational safety culture
- Responsible land stewardship
- Long-term community partnership initiatives

“We are proud to have the support of SB Energy and SOLV Energy as we launch the 2026 season here in Yerington,” said Laura Butcher, CEO of the Valley Off-Road Racing Association. “Their commitment to the community helps ensure thoughtful planning and the safe, successful execution of these events.”

The next race weekend will take place May 1–3 near Silver Springs, Nevada. Additional race dates and community initiatives will be announced throughout the season.

About VORRA

The Valley Off-Road Racing Association (VORRA) is a premier off-road racing organization based in Nevada, producing competitive desert racing events that prioritize safety, operational excellence, and responsible land stewardship. Through its race series and community initiatives, VORRA supports workforce development, local economies, and the continued growth of the off-road industry.
